

MEMORANDUM FOR:

Cornstroller 6 DEC 1976 4

Approved For Release 2005/07/26 : CIA-RDP82-00857R000200120014-6

Jim:

Executive Registry

76-3312/4

Can we discuss this.
I think we should be
able to put out some
kind of notice that is
not defensive and does not
editorialize. The basic facts
are: W survey results and (by
the rotational statistics. Rotation
occurs but we don't yet know exactly
how, why or what basic value it has
